Dear Parents/Caregivers

Room 9 Assembly
This week’s assembly saw Room 9 deliver safety messages for around the home and in the classroom via song, performance and video. With one of the Room 9 students recently breaking her arm it was a very timely message about being safe. Well done to Mrs Callus, Mr Hill and Room 9 for a very entertaining safety lesson.

Parents and Citizens Meeting
Our next P&c meeting will be held next Thursday, 27 October at Lillies Café, the Trade Training Centre Mirrabooka High School from 1.30 pm. Come along and enjoy afternoon tea and see how you can support the school.

5 Cent Pieces
The next P&c fundraising event will be a coin line. The P&c will be calling for students to collect 5 cent pieces to see how big of a coin line we can make. The challenge will be to try and get all around the veranda’s. More details to follow, but start collecting your 5 cent coins.

School Board
Our next School Board meeting will be held on Friday 28 October from 7.30 am in the Wish Garden. The meeting is an open meeting to all interested parents who would like to come along and find out about the important role the School Board plays in supporting the school. We will be calling for a parent representative to sit on the School Board in 2017 and this would be an ideal opportunity to see the board in action. If you would like to know more about the role of the parent representative please feel free to come and see me.

Swimming Carnival
We are very excited to announce that Mirrabooka Primary School will be holding a school swimming carnival. The carnival to be held at the Mirrabooka High School pool on Monday 28 November. The carnival will be for year 3 - 6 students and will cater for all swimming levels with races and novelty events.

PE News

HIP HOP dancing has started in Week 1 of the Term with a bang. The first group of classes have been taking part in a three week dance Program with the Australian School of Dance. The second group will commence in week 4. This program focuses on a broad range of movement skills for all students to move with competence and confidence. All the students are having so much fun whilst learning a fun dance routine.

Faction Swimming Carnival

In week 8 on Monday 28th November the students in years 3-6 will be participating in a swimming carnival at the pool at Mirrabooka Senior High School. Nominations to compete in an event will be taken in classrooms in week 6. This will be a fun day so don’t hesitate to nominate as there will be fun games and relays for everyone regardless of ability.

School Banking

Don’t forget that Thursday, 8.30am is School Banking Day and students should bring their weekly deposit to Room 4.

Breakfast Club

Come along and have a healthy breakfast on Thursday mornings in the canteen from 7.45am. A permission note must be signed by parent/guardian before you can attend.

Voluntary Contributions

Thank you to those families who have already paid. This money goes towards the extra benefits our children use at school which is not covered by the school grant. The amount is $40 per child with a maximum of $100 per family. Thank you in anticipation.

Next Friday 28th October we encourage everyone to wear RED for a gold coin donation for the Daniel Morcombe Foundation. A note has been sent home with your child today. Have a look at their web site to see the wonderful things they do: www.danielmorcombe.com.au

Last Friday Rooms 1 and 2 went to Scitech for the day. We had a very busy day doing all things science! We started off in the general exhibition where we discovered great things like the 360 degree camera and the shadow wall. There was a robot that kept a lot of people entertained! Next we saw a show called “We are Scientist” where we learnt about slime and heard a very loud explosion! We then headed into the feature exhibition where we learnt about dinosaurs and asked some very interesting questions. One of the favourite parts was excavating dinosaur bones. Our last stop was the planetarium where we were amazed by the show called Asteroid Mission Extreme! We learnt about asteroids affecting the Earth and the future of space exploration. Miss Coppins and Mr Fonseca were extremely impressed by the enthusiasm and behaviour of our students!

Starting School Successfully
For parents of children starting school in 2017

Starting school or kindergarten is an important time for children and their families. Research suggests that a positive start to school has long-term benefits for children’s future learning, as well as their social and emotional development.

This session looks at strategies and tips to support parents with their child’s transition to school or kindergarten.

Date: Tuesday 8 November 2016
Time: 12.30pm – 2.30pm
Venue: Child and Parent Centre - Westminster
24 Marloo Road, Westminster
