Dear Parents/Caregivers

Wish Camp
Last week our Wish Group students, Mrs Black and Mrs Price headed off on camp to the Spring Hills Farm Stay. With many of our students experiencing a working farm for the first time it was a fantastic and very enjoyable learning experience. Students learnt the values of getting along and working together as well as developing their own resilience whilst exploring and helping out on the farm. Thanks Mrs Black and Mrs Price for giving up your own family time to provide this unique learning experience, the kids absolutely loved it!

Room 14—Book Week Assembly
Mrs Shaverin’s room 14 students certainly put on an amazing assembly item on Wednesday, highlighting how books light up our world for Book Week! Students dressed up as specific books and informed the audience what sort of book they were and how they were used. We learnt about travel, cooking, hobbies, autobiographies, and many other books, all accompanied by a book fashion parade. With a great reading video parody of the Happy song we all certainly clapped along! Adding to the festivities, students and teachers dressed up as their favourite book characters. The school was over run by witches, Harry Potter’s, pirates, fairies, princesses and a varied assortment of other book characters. Well done to all of our students and teachers who participated in this fun event highlighting the importance of books in our lives. See page 3 for some excellent photographs of the day.

Faction Carnival
Tomorrow we will be holding our school faction carnival. The weather forecast looks fine and we will see students from PP to year 6 participate in individual running events and team games throughout the day. Our hardworking P & C will be holding a stall selling food and drink throughout the day. They will also be selling raffle tickets for some great prizes that will be drawn on the day. We would love to see as many parents and family members as we can cheering on our athletes, action starts at 9am.

P & C Readathon
To complement Book Week, the P & C is running a school Readathon. Students are asked to read for at least 30 min per day over the two weeks from 24 Aug - 4 Sep. Students can then ask family or friends for donations that will go towards updating school resources. Happy reading!

**Community Garden News**

The Mirrabooka Community Garden is producing lots of delicious herbs and vegetables. Some of the lettuce was harvested for the Healthy Lunch on Expo Day and there will be more lettuce and bunches of silverbeet available to parents on sports day for a gold coin donation. The healthy, organic produce will be available next to the P&C food stall in the canteen. All donations will go towards next season’s harvest.

**SciTech Visit**

Last Thursday Mirrabooka Primary Students enjoyed a show by Scitech to celebrate Science Week. The Senior show was “The H2O show” all about wonderful water, and the Juniors enjoyed “All about Air”. The students were very well behaved, and the Scitech presenters complimented me on the students’ manners and knowledge of Science.

**Parking**

Parents are reminded that when picking up students that parking outside of designated parking bays is illegal. Recent issues of people double parking and parking on neighbouring lawns in Laythorne Street has been highlighted by our school community and neighbours with complaints made to the city of Stirling. When picking up your child/ren we ask that parents abide by the rules. Further issues being reported will result in parking officers patrolling the school.

**School Crossing**

The Children’s Crossings and Road Safety Committee is currently undertaking a review of the student crossing on Nollamara Avenue in front of the high school. To ensure that a true picture of the school communities needs is reflected in this review, we ask that all parents and students who cross Nollamara Avenue use the crossing when coming to and from school.
